To Whom It May Concern:

On behalf of McInnis Brothers Construction, Inc., I would like to express our appreciation to Power Lift Foundation Repair for their outstanding performance on the Kroger 539 project in Shreveport, Louisiana. Despite the complicated nature of this project, Power Lift has more than proven their ability to perform their work in a timely and professional matter.

Power Lift is very innovative and motivated to deliver the desired results to the Customer, no matter how challenging the project may be. There would be no hesitation to engage Power Lift Foundation Repair on future opportunities.

Yours truly,

McINNIS BROTHERS CONSTRUCTION, INC.
